

# Make a Viking Longship

## You will need:

- pencil crayons or pens
- scissors, and an adult to help
- glue

## Instructions:

1. Colour in Norie the Viking, the sail and the Viking Longship.
2. Ask an adult to help cut out the sail and Viking Longship.
3. Fold along the lines on the Longship, and glue the dragon heads together.
4. Fold along the lines of the sail, and glue the flap inside the opposite end.
5. Place your sail inside the ship, and your Viking Longship is complete!
